IoT4Industry Second Call for Project: Matching opportunities for SMES

The IoT4Industry project consortium has the pleasure to invite you to a webinar event organized on the 14th May 2019, from 10.00 to 11.00 (CET). This event will feature several short pitches of industrial end-users describing their needs and current partner search in the framework of IoT4Industry 2nd Call for collaborative projects.

This call for collaborative projects opened on the 1st April and it will last until 11th June 2019.

Webinar program:

- 10.00 Welcome & Introduction about the IoT4industry project opportunities
- 10.10: Pitches of several industrial end-users focused on their partner search:

PARTICIPATION IS FREE – Link to join the meeting:
